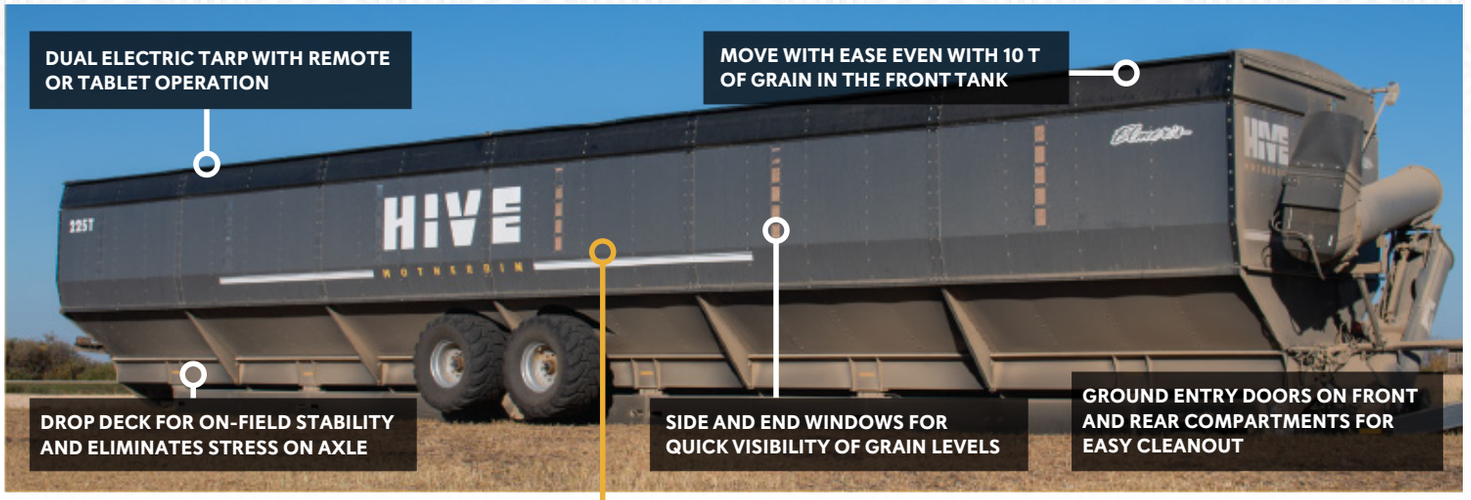
# HARVEST WITH **MORE VOLUME AND EFFICIENCY**



## DUAL TANK DESIGN

- Hold crops with varying properties, such as moisture & protein, and blend them together.
- The dual tank design is a game-changer for grain farmers. **Upgrade to Pro for individual gate control and custom blending.**
- Independant tank-length cleanout gates simplify maintenance and ensure minimal cross-contamination.

## KEEP YOUR COMBINES MOVING

- The impressive 225 and 150 tonne capacities keeps harvesters operating uninterrupted.
- Efficient power transmission with the 22" discharge auger and Powermaster Direct Drive Gearbox.
- 28 degrees of vertical pivot motion and 4-way spout control.

## SIMPLIFIED TECHNOLOGY FOR ANY OPERATOR

**HIVE CONNECT**

Connect is a simplified scale and load management system. It provides you with live weights, GPS, and detailed load tracking so you know exactly how much is coming off the field and into your bins.

**HIVE PRO**

Pro-integration has cutting-edge features like double tap-to-fold, automatic return-to-home auger functions, and tablet or joystick controlled auger and gate functions. Pro makes it easier for any experience-level operator to use the equipment with convenience and accuracy.

| SPECIFICATIONS | 8250 BU | (225 T) | 5500 BU | (150 T) |
|---|---|---|---|---|
| Tank Length | 66' 11" | (20.4 m) | 44' 8" | (13.6 m) |
| Overall Length | 78' 3" | (23.84 m) | 56' | (17.04 m) |
| Empty Weight | 49,850 lbs | (22,610 kg) | 40,700 lbs | (18,460 kg) |
| Field Height | 14' | (4.28 m) | | |
| Load In Height | 13' 4" | (4.06 m) | | |
| Transport Height | 15' 10" | (4.82 m) | | |
| Width | 14' 6" | (4.41 m) | | |
| Auger Height | 11' 1" – 16' 1" | (3.38 m – 4.92 m) | | |
| Auger Reach | 2' 10" – 7' 9" | (0.88 m – 2.36 m) | | |
| Tongue Weight | 4,670 lbs | (2,100 kg) | | |
| Unloading Auger | 22" | (56 cm) | | |
| Horizontal Auger | 19" | (48 cm) | | |
| Hydraulic Remotes *(with PRO)* | 4 | *(1)* | | |
